

BC WOMEN'S HOSPITAL RESEARCH ROUNDS

SEPTEMBER 21, 2018
08:00 - 09:00 AM | D308 SHY BLDG

Neonatal Abstinence Syndrome in Canada and Associated Maternal and Neonatal Mortality and Morbidity

Speaker: Dr. Sarka Lisonkova

Learning Objectives

1. to learn about temporal trends in Neonatal Abstinence Syndrome (NAS) in Canada
2. to understand challenges inherent to population studies of NAS
3. to discuss maternal and neonatal mortality and morbidity associated with NAS
4. to discuss benefits of rooming-in postpartum care

“The BC Women’s Research Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada”
