March 19, 2021
8:00 - 9:00 AM

LOCATION

Virtual rounds

The BC Women's Research Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada"

www.whri.org

TITLE

I fought my entire way:

Experiences of declining interventions and procedures during pregnancy and childbirth in British Columbia

LEARNING OBJECTIVES

- Understand what tests and procedures childbearing people in BC declined and why
- Understand how care provider reactions in these situations impact childbearing people
- Understand implications of findings for clinical practice and education
